May, 2006: BULLDOG 10s WIN IT ALL AT THE HILLSBOROUGH NJ MEMORIAL DAY TOURNAMENT

Facing some of the toughest NJ Little League All Star teams, the 10 year old Bulldogs won 3 straight to reach the finals against the favored Somerset Hills All Stars. In 90 degree heat the Bulldogs played a most exciting, nail-biter of a game. Up 3-1 after the first inning, Somerset came back to take a 7-3 lead. But the dogs never gave up, every inning chipping away at the lead. Finally, at the top of the last inning (6th), the dogs tied the game 7-7 and held Somerset to take the game into extra innings. On a roll, the dogs scored 2 in the top of the 7th and held Somerset to none (with 2 on) to take the championship. When catcher Giovanni caught the last batter's pop up, pandamonium broke lose and the team mobbed closer Adam.

Every player made important contributions. It was a total team effort, especially by coaches Daryl, Mike, Bryan, and Jeff and the bench moms who helped keep the boys cool in 90 degree heat for two days. And coach Bryan had to keep his promise and carry Giovanni around the bases if the team won, which he did.
